SUMMARY

Motivated Computer Science graduate with experience in React JS development, Python programming, and practical project development. Passionate about building modern applications and improving problem-solving skills.

EDUCATION

- | | |
|---|----------------------------|
| Thanthai Periyar Govt Arts & Science College | AUG 2024 - MAY 2026 |
| Department : Master of Computer Science | |
| CGPA : (still- 71.6) | |
| Rajapalayam Rajus' College | |
| Department : Bachelor of Computer Science | JUN 2021 - MAY 2024 |
| CGPA : 72.16 | |

INTERNSHIP EXPERIENCE

- | | |
|---|----------------------------|
| Anjana Infotech - Rajapalayam | AUG 2023 - APR 2024 |
| Supported students in developing responsive React JS web applications and assisted in troubleshooting coding issues through practical development sessions. | |
| Junior React JS Intern - Thiran360AI, Erode | DEC 2025 - JAN 2026 |
| Developed responsive React JS web applications and supported client-side bug fixing, UI improvements, and frontend optimization. | |

PROJECTS

- Skill Cert** (GIT Link: "<https://github.com/balaguru33/pro.git>")
- Developed a web-based certification management application for handling student skill certifications, record management, and verification processes with a user-friendly interface.
- E-Odonata Monitoring System** (GIT Link: "<https://github.com/devgowthamz/odo-dash.git>")
- Developed a mobile application using Flutter and Dart with cloud-based data storage, authentication, and reporting features for environmental monitoring.

SKILLS

- Programming Languages: Python, Java, JavaScript, C, C++
- Frontend Development: React JS
- Python Technologies: NumPy, Pandas, Jupyter Notebook
- Databases: SQL, Firebase
- Tools & Platforms: Git, GitHub, GitHub Copilot, VS Code, XAMPP

CERTIFICATIONS

- Python Programming – IGL HANDSON PVT. LTD
- Assistant Computer Operator – JSS Virudhunagar
- Project-Based Learning Hackathon – Government of Tamil Nadu (TANII)
